"Protecting 12 Miles of Ocean Beach on Long Beach Island"

2011 LBTBP Competition Calendar

All guards are required to complete: in order to demonstrate on-going in-ocean rescue competency

One ocean swimming event (complete one or more) Run-swim-run, **1000m swim (Required event)**, surf rescue (rescuer only), any Mayor's Cup swim.

Two other ocean events Any two events that take place in the ocean, *excluding* the event that counts as your ocean swimming event.

One other event Any event not used to satisfy either of the previous requirements. Beach flags may *not* be used as an event.

All competitors are expected to help set up for and clean up after each race. *Three events*, including *one ocean swimming event* and one *ocean event*, must be completed by July 26. Guards not meeting this requirement may be suspended or removed from the employment position designated "LBTBP Ocean Lifeguard". **The 1000m swim is required of all lifeguards!**

In events with heats and finals, event credit is given only for the heats. If you qualify for later rounds, you must participate or you will not receive credit for the event (the only exceptions are if you notify the scorekeeper at the time of qualification that you will not be able to participate or if you have a documented emergency). Ocean events are preceded by a "◇". Some events in tournaments preceded by a "‡" are ocean and/or swimming events; ask the beach patrol supervisor, chief or your captain for additional information. The LBIBPA Tournament does not count toward the competition requirement.

Each patrol has been assigned several LBTBP competitions, as noted in the rightmost column. The patrol assigned to a competition is responsible for preparing equipment the night before the event and supplying people to help run and judge the competition. Although some of the set-up and much of the clean up will be done by the competitors, the assigned patrol is ultimately responsible for all aspects of the competition.

The top three finishers in each LBTBP event are awarded medals (or, in the case of the Art Jocher Cup, trophies). Events marked with "(M, W)" have separate medals for men and women.
