All guards are required to complete the following required events in order to demonstrate on-going in-ocean rescue competency:

1000m Swim

Half-Mile Paddleboard Race

1st & 2nd Year Guards - Row Time Trials

All competitors are expected to help set up for and clean up after each race.

Each patrol has been assigned several LBTBP competitions, as noted in the rightmost column. The patrol assigned to a competition is responsible for preparing equipment the night before the event and supplying people to help run and judge the competition. Although some of the set-up and much of the clean up will be done by the competitors, the assigned patrol is ultimately responsible for all aspects of the competition.

The top three finishers in each LBTBP event are awarded medals (or, in the case of the Art Jocher Cup, trophies). Events marked with "(M, W)" have separate medals for men and women.

LBTBP participates in numerous outside competitions each summer.
