

LONG BEACH TOWNSHIP BEACH PATROL

6805 Long Beach Boulevard • Brant Beach, New Jersey 08008

"Protecting 12 Miles of Ocean Beach on Long Beach Island"

2016 LBTBP Competition Calendar

All guards are required to complete: in order to demonstrate on-going in-ocean rescue competency

Required events **1000m swim and Half-Mile Paddleboard Race**

All competitors are expected to help set up for and clean up after each race. **The 1000m swim and Half-Mile Paddleboard Race are required of all lifeguards!**

In events with heats and finals, event credit is given only for the heats. If you qualify for later rounds, you must participate or you will not receive credit for the event (the only exceptions are if you notify the scorekeeper at the time of qualification that you will not be able to participate or if you have a documented emergency).

Each patrol has been assigned several LBTBP competitions, as noted in the rightmost column. The patrol assigned to a competition is responsible for preparing equipment the night before the event and supplying people to help run and judge the competition. Although some of the set-up and much of the clean up will be done by the competitors, the assigned patrol is ultimately responsible for all aspects of the competition.

The top three finishers in each LBTBP event are awarded medals (or, in the case of the Art Jocher Cup, trophies). Events marked with "(M, W)" have separate medals for men and women.
